Friday Night Parade – A Few Important Guidelines

Staging Information:
Staging is on **3rd Ave N from 23rd St EAST to 10th street** and begins at **3:00 PM.**

Reminder: **NO PARKING between N 25th and N 27th on either side of the street**. This allows for the MET transit buses to travel to the transfer station. No vehicles will be allowed west of **23rd Street** until the parade officially begins. Please pay close attention to signage and follow the instructions of our team. We'll be moving vehicles in groups across **27th Street** to the start of the parade on **28th Street**.

⚠️ **Important:** All participants must follow directions from BTP staff. Failure to do so may result in removal from the parade. We know some may try to stage early west of 23rd—we're doing our best to communicate and mark this clearly. Please help spread the word!

The parade route this year will end slightly different. Due to construction, once cars reach 2nd Ave and Broadway (Skypoint) they will turn south and travel down Broadway to 1st Ave where they will turn right and that will be the end of the parade. The northbound lane of 1st Ave will be blocked at 27th to allow parade cars to turn without having to wait for traffic.

Registration:
All participants must check in at a registration booth, even if you registered online.
Look for the **Registration** banners at these locations:

- 3rd Ave & 23rd St
- 3rd Ave & 21st St
- 3rd Ave & 19th St
- 3rd Ave & 17th St
- 3rd Ave & 15th St
- 3rd Ave & 13th St

You'll receive your participant number at check-in.

Parade Rules – Let's Keep It Safe & Fun:

- 🚫 **No candy or items may be thrown from vehicles.** This helps keep our relationship with the City of Billings strong.
- **No passengers in the back of pickups or flatbeds.** The PD will remove you from the parade
- 🚫 **No political signage** – this is a community celebration for everyone! The American flag always has and always will be allowed!
- 🚫 **No trailers, motorcycles, or trikes** – only vehicles with four wheels may participate.
- 🚫 **NO BURNOUTS** – police will be on site and violations will result in removal from the parade and citations under Montana Code **45-5-207, Felony Criminal Endangerment. PLEASE NOTE The route will have been freshly chipped sealed. Burn Outs are not only dangerous but will cause rocks to fly, causing potential damage to other cars, your own vehicles and spectators.**

Thank you for keeping things safe and fun for everyone involved—spectators, participants, and volunteers alike!
